## FIRST ANNOUNCEMENT

# 9<sup>th</sup> European Pressure Ulcer Advisory Panel Open Meeting Berlin, Germany

August 31st  
to  
September 2nd  
2006

## Theme:

Pressure ulcers: putting knowledge  
into practice

**Berliner Congress Center, Alexanderplatz  
Berlin, Germany**

[epuap@aol.com](mailto:epuap@aol.com)

Registered Charity number 106685

**Pressure Ulcers: putting knowledge into practice** is the theme of the 9th European Pressure Ulcer Advisory Panel Open Meeting. This year's theme will expand upon our previous annual meetings where prevention, management and fundamental principles of pressure ulcer care are brought back to everyday patient practice.

Berlin, the venue of this year's meeting, is the exciting old and new capital of Germany and is easily accessible by air, train and road from the rest of Europe. The city is renowned for its music, art, architecture and museums and is surrounded by beautiful countryside, lakes and woods. The meeting is being held in the Berliner Congress Center which is within walking distance of famous sites such as "Unter den Linden" Boulevard, the Museums Island, Nikolai Quarters, as well as the theatres, restaurants and clubs of the Prenzlauer Berg District.

The scientific programme is designed so that delegates will learn about pressure ulcers from sessions focused on: wound management, patient repositioning, skin care, education and classification. There will also be free papers where we invite you to submit papers surrounding the theme for this conference. The social programme will enhance the experience of being in Berlin.

We look forward to welcoming you to Berlin in 2006 where in an excellent surrounding we will have the opportunity to share knowledge and expertise to provide improved care of patients with, or vulnerable to pressure ulcers.

## SCIENTIFIC AND SOCIAL PROGRAMME

## EPUAP Meeting Registration Form
