

Appendix 6 - BELFAST WATERFRONT RIGGING SERVICES

Exhibitors requiring rigging services should contact eventservices@waterfront.co.uk at least 14 days prior to the commencement of build up. The below pricelist provides guidance on costs for our rigging services and a full quote will be provided on submission of the following information:-

- Event name, date and stand number.
- Description and the construction of the item to be rigged.
- The total weight of the item including any attachments such as light fittings etc... Details should also be given of how the weight of any attachments is distributed.
- The height required from floor level to the bottom of the item.
- The dimension of the item.
- Details of how the rigging wires may be attached to the item.
- A plan of the stand showing it's orientation in the hall, the position of the item to be rigged and its measurements from the perimeter of the stand.
- The day and time the item should be rigged. Items to be rigged are required on site before the first day of build up.
