

## **EPUAP 15th Annual European Pressure Ulcer Meeting**

**September 19-21 2012**

**Mercure Cardiff Holland Hotel, Cardiff, UK**

**ARE YOU ATTENDING EPUAP 2012?  
DON'T MISS THIS IMPORTANT EVENT!**

## **PRESSURE ULCER EVIDENCE, COSTS AND OUTCOMES:**

**A COMMON LANGUAGE FOR PREVENTING PRESSURE ULCERS.**

**THURSDAY, SEPTEMBER 20 – 1230-1330**

A clinical symposium focusing on the 'first principles' of pressure ulcer avoidance to achieve positive economic and clinical outcomes. The symposia will also highlight the importance of early risk identification followed by the provision of appropriate and effective support surfaces and patient repositioning.

### **Prof. Michael Clark**

Refocussing on the key issues and utilising existing science.

### **Prof. Richard Goossens**

Defining the difference between offloading devices, linking offloading to blood flow and positive clinical outcomes.

### **Prof. John Posnett**

Demonstrating the economic benefits of effective pressure ulcer prevention and management.

Places are limited, so to avoid disappointment, pre-register **now** at [www.ArjoHuntleigh.com/epuap](http://www.ArjoHuntleigh.com/epuap)
