

ATTENDING EPUAP VIRTUAL MEETING

What can you look forward to as the EPUAP Virtual Meeting attendee?

KEY INFORMATION

- ❖ The virtual platform is available as a mobile app and has a desktop/laptop version as well. We recommend having access to both; however, it is not compulsory.
- ❖ You can save chosen key lectures/presentations into your agenda, so you do not miss out on any important sessions.
- ❖ After every session, all speakers will be available for Q&A, so feel free to ask your questions!

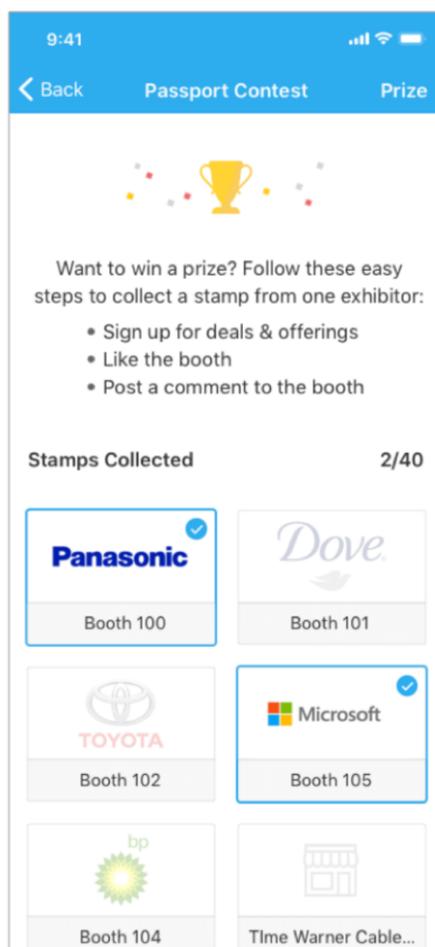

- ❖ Prepare your own web camera and microphone if you want to participate in your own virtual meetings during the conference. It is a great way of networking with your peers.
- ❖ We are preparing several contests to make this a fun experience full of exciting prizes!
- ❖ Do not forget about our exhibition hall. It is a place where you can learn about the latest information within the industry. You will be able to chat with all companies and perhaps receive some special deals.
